

**OPTIONS:**

**KIT-80010**  
Rotating tow bar for tractor connection (3000/4000L)

**KIT-80020**  
Hydraulically assisted straight tow bar (3000/4000L)

**KIT-80030**  
Automatic electric straight tow bar (3000/4000L)

**KIT-73422**  
Volumetric 7-way electric controller

**KIT-73426**  
ARAG BRAVO-180s 5-way computer + GPS antenna

**KIT-73428**  
ARAG BRAVO-400s LT 7-way computer + GPS antenna

**7 WAYS 9 WAYS**  
KIT-73430 KIT-73435  
ARAG computers  
BRAVO-400s LT 7-way  
BRAVO-400s 9-way

**KIT-73432**  
Flow meter for GPS,  
5 electro valves (no screen)

ISOBUS connection

HYDRAULIC BOOMS

Order Separately

**Technical specifications:**

- ✓ Low crops
- ✓ Diaphragm pump up to 273L/min
- ✓ Electric 5-way volumetric controller
- ✓ Easy to clean exit filters
- ✓ In-take filter with valve
- ✓ DUAL-PRESS (dual circuit booms/functions)
- ✓ 35L multi-function product mixer
- ✓ External level graduated reader
- ✓ Large diameter manometer
- ✓ Designed specifically for hydraulic booms
- ✓ Top arches extra reinforced chassis
- ✓ Total capacity +10% over normal capacity
- ✓ Dual cylinder parallelogram elevation system
- ✓ Boom suspension with nitrogen tank
- ✓ 6 hose hydraulic joystick to tractor)
- ✓ Adjustable jockey wheel
- ✓ Hydraulic brake + parking brake wedges
- ✓ Adjustable track width (1500-2000mm)
- ✓ Special track width 2200mm (inquire)
- ✓ Protective hose chain-guide
- ✓ Straight tow bar with standardized ring hitch

Opcionalmente:  
**SPE** Sistema de Protección de Excesos

- ✓ Wheels 340/85 R38 (3000); 380/85 R38 (4000)
- ✓ Clearance 850mm (3000L with wheels 340/85 R38)
- ✓ Clearance 850mm (4000L with wheels 380/85 R38)
- ✓ Lights and plates V-20 kit
- ✓ G1 1000mm Reinforced PTO
- ✓ 5 metre water refilling unit
